

Naval Weapons Station Earle

PIER FISHING

March 1 through December 10, 2021

PIER FISHING IS OPEN TO:

Active duty personnel, Reservists and retired military

DoD civilian employees (NWS Earle personnel only)

Federal civilian employees who have retired from NWS Earle (must have a Retired Civilian ID Card)

Full-time government contractor employees

Must be assigned to NWS Earle as a primary job, with restricted area access to the pier.

Contractor employees will be allowed to fish after United States Citizenship is proven and passing of the vetting process.

Crew members of visiting ships

Individuals with a valid Teslin ID Card

Spouses of Active Duty military personnel assigned to NWS Earle

Fishermen are entitled to escort immediate family members (spouses, dependents, grandchildren under 18) at no additional charge. Fishermen are also permitted one (1) authorized guest for the season; guest fishermen must pass the vetting process prior to the processing of the fishing application. Fishing passes are \$50.00 for the season; however, there is no fee for Active Duty personnel, reservists, and crewmembers of visiting ships. Fishermen who purchased fishing passes in March of 2020 but were unable to use them due to COVID-19 mitigations will be permitted to get a fishing pass for 2021 at no additional cost. NWSE continues to monitor the COVID situation and if fishing patrons are deemed a risk to the health of the installation their fishing privilege will be suspended. All patrons are required to maintain CDC mitigations at all times. To apply for your fishing pass, please come by the MWR Main Counter at BLDG C-29, Monday – Friday, 0830 – 1500. If you have any questions, please contact the Navy Getaways Office at 732-866-2448.
